Twenty live conversation sessions set at the Italian table. Order like a Roman, argue like a Neapolitan about pasta shape, and understand a Tuscan grandmother.

On Completion, You Can:

- › Read any Italian menu without pointing
- › Ask for a table, a wine, a dish, and a change — politely
- › Understand a waiter's rapid recitation of the specials
- › Argue politely about a dish or a bill
- › Talk about food history, region and cuisine
- › Cook and talk in Italian at the same time
